Overall Width:

32.2 millimeters

Mounting Hole Diameter:

27.6 millimeters

Dome Height:

33.5 millimeters

End Application:

6115-01-561-7788 gen set diesel

Product Name:

Boot, insulation

Special Features:

Material is thermoplastic rubber with brittleness temperature -60degrees celsius and service temperature 125 degrees celsius; color is black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
