Mounting Method:

Bracket

Features Provided:

Mounting hardware

Product Name:

Double-thermostats

Special Features:

Temperature sensor type: thermostatic bimetal; casing: pa6ul94 v0 self-extinguishing, light grey ral 7035; protection degree en60529: ip20; mounting: clip for mounting on din rail 35 mm en50022. Dimensions: 61x53x35mm. Weight: 80g

Supplementary Features:

Compact double thermostat for din35mm.Rail mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A048b0
