Overall Height:

73.0 inches

Overall Width:

45.5 inches

Overall Diameter:

120.0 inches

Product Name:

Interlock switches non contact switches ferrocode

Special Features:

Power supply 24v ac/dc, connection 6m cable; housing red, abs plastic; maximum switched dc current/voltage 1a/28v dc/28w; min switched dc current/voltage 10ma/10v; impulse withstand voltage 2500v; operating temperature minus 10 degrees c to 55 degrees c; material colour - red moulded abs plastic; cable 0.2mm (24 awg) 6 wire; braided pvc jacket od 6mm (0.23 inches); ul approved; terminals - plus-minus terminal screws m3.5 box terminal with wire protection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
