Overall Height:
73.0 inches
Overall Width:
45.5 inches
Overall Diameter:
120.0 inches
Product Name:
Interlock switches non contact switches ferrocode
Special Features:
Power supply 24v ac/dc, connection 6m cable; housing red, abs plastic; maximum switched dc current/voltage 1a/28v dc/28w; min
switched dc current/voltage 10ma/10v; impulse withstand voltage 2500v; operating temperature minus 10 degrees c to 55 degrees c;
material colour - red moulded abs plastic; cable 0.2mm (24 awg) 6 wire; braided pvc jacket od 6mm (0.23 inches); ul approved; terminals -
plus-minus terminal screws m3.5 box terminal with wire protection
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A053a0
