**Overall Height:**

73.0 inches

**Overall Width:**

45.5 inches

**Overall Diameter:**

120.0 inches

**Product Name:**

Interlock switches non contact switches ferrocode

**Special Features:**

Power supply 24v ac/dc, connection 6m cable; housing red, abs plastic; maximum switched dc current/voltage 1a/28v dc/28w; min switched dc current/voltage 10ma/10v; impulse withstand voltage 2500v; operating temperature minus 10 degrees c to 55 degrees c; material colour - red moulded abs plastic; cable 0.2mm (24 awg) 6 wire; braided pvc jacket od 6mm (0.23 inches); ul approved; terminals - plus-minus terminal screws m3.5 box terminal with wire protection

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A053a0
