**End Application:**

Boat, riverine

**Operating Temperature Rating:**

Between 14.00 degrees fahrenheit and 221.00 degrees fahrenheit

**Product Name:**

Switch, liquid level

**Special Features:**

Operating pressure: 220.00 psig; body material: brass; 1.00 inch npt tank screw; cube plug din 43650 3 pin;

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T109-d
