End Application:

Boat, riverine

Operating Temperature Rating:

Between 14.00 degrees fahrenheit and 221.00 degrees fahrenheit

Product Name:

Switch, liquid level

Special Features:

Operating pressure: 220.00 psig; body material: brass; 1.00 inch npt tank screw; cube plug din 43650 3 pin;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
