**Illuminated Actuator Color:**

White single actuator

**Maximum Voltage Rating In Volts:**

24.0 ac or 24.0 dc

**End Application:**

Plths console; p/n 4910a4000-1

**Mounting Method:**

Flush

**Special Features:**

Bezel - square plastic; function - momentary; operator square flush; lamp led

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A053a0
