Illuminated Actuator Color:

White single actuator

Maximum Voltage Rating In Volts:

24.0 ac or 24.0 dc

End Application:

Plths console; p/n 4910a4000-1

Mounting Method:

Flush

Special Features:

Bezel - square plastic; function - momentary; operator square flush; lamp led

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
