End Application:

Pump, submersible

Contact Voltage Rating In Volts:

115.0 ac at altitude single voltage

Product Name:

(inavy) switch, 115, 1ph

Special Features:

Description: diaphragm switch (8.5in range) 115v-20`; part of model: 0sp50 and other models; submersible switch with pigtail; piggyback switch plug

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
