**Overall Length:**

7.00 inches

**End Application:**

4210-01-622-0440

**Operating Temperature Rating:**

Between -50.00 degrees fahrenheit and 225.00 degrees fahrenheit

**Product Name:**

Pressure switch

**Special Features:**

Current rating: 5.00 amps; voltage rating: 30.00 vdc; maximum operating pressure: 250.00 psi; single pull double throw; wire size: 18 awg;

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A048b0
