Overall Length:

7.00 inches

End Application:

4210-01-622-0440

Operating Temperature Rating:

Between -50.00 degrees fahrenheit and 225.00 degrees fahrenheit

Product Name:

Pressure switch

Special Features:

Current rating: 5.00 amps; voltage rating: 30.00 vdc; maximum operating pressure: 250.00 psi; single pull double throw; wire size: 18 awg;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
