Body Style:

W/ front operator

Center To Center Distance Between Mounting Facilities Parallel To Length:

104.0 millimeters

Center To Center Distance Between Mounting Facilities Parallel To Width:

104.0 millimeters

Body Length:

132.0 millimeters

Body Width:

132.0 millimeters

End Application:

Apl update

Mounting Method:

Unthreaded hole

Product Name:

Rotary cam switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
