Body Style:

Panel mount

Actuator Color:

Red single actuator

Maximum Voltage Rating In Volts:

600.0 ac

End Application:

4520-01-564-3917; enhanced heating system, ration, tray

Inclosure Type:

Hermetically sealed

Mounting Method:

Press fit

Features Provided:

Actuator seal

Product Name:

Pushbutton , illuminated, maintained (push/pull)

Special Features:

Water tight and dust tight (indoor/outdoor)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
