Body Style:

Panel mount

Body Width:

1.071 millimeters

Body Height:

0.807 millimeters

Actuator Height:

0.237 millimeters

Actuator Width:

0.374 millimeters

Actuator Color:

Green, transparent single actuator

Illuminated Actuator Color:

Green, transparent single actuator

Maximum Voltage Rating In Volts:

125.0 ac

End Application:

6150-01-633-6567

Product Name:

Single-pole rocker switch

Special Features:

Rohs compliant; temperature range minus 20 celsius to plus 85 celsius; life = min 1000, 000 operations;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
