Body Width:

30.5 millimeters

Actuator Length:

31.5 millimeters

Actuator Style:

Roller arm

Actuator Height:

58.2 millimeters

Actuator Roller Diameter:

19.1 millimeters

Actuator Roller Width:

6.4 millimeters

Maximum Voltage Rating In Volts:

300.0 dc

Inclosure Type:

Fully enclosed

Product Name:

Micro switch

Special Features:

Snap action; 1.1 inches per pound tork max

Precious Material And Location:

Contacts silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
