Electrical Plug Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-00-023-4206

Overall Length:
0.671 inches

Overall Height:
1.062 inches

Overall Width:
1.187 inches

Mating End Quantity:
1

Contact Maximum Current Rating In Amps:
7.5 single mating end single contact grouping

Shell Type:

Connector Locking Method:

Snap ring

Solid

Insert Material:

Plastic single mating end

Shell Material:

Aluminum alloy

Included Contact Quantity:

19 single mating end single contact grouping

Included Contact Type:

Round socket single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
