Environmental Protection:

Corrosion resistant

Mating End Quantity:

1

Connector Locking Method:

Bayonet latch

Insert Material:

Plastic single mating end

Shell Material:

Copper alloy

Included Contact Quantity:

1 single mating end single contact grouping

Included Contact Type:

Coaxial pin single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
