Overall Length:

5.125 inches

Overall Height:

0.794 inches

Overall Width:

4.000 inches

Component Quantity:

3

Mounting Configuration:

Eight 0.196 in. Diameter mtg holes irregularly spaced around perimeter

Component Controlling Agency:

Winchester electronics inc, norwalk, conn

Component Name:

Connector, receptacle, electrical

Component Identifying Number:

Mra75 part no.

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
