Overall Length:

2.664 inches

Overall Height:

0.765 inches

Overall Width:

0.625 inches

Component Quantity:

6

Mounting Configuration:

One hole, righ hand

Component Controlling Agency:

Raytheon company

Component Name:

Connector receptacle, electrical

Component Identifying Number:

153114 drawing no.

Mounting Method:

Screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
