Overall Length:

2.906 inches

Overall Height:

1.062 inches

Overall Width:

1.062 inches

Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

13.0 single mating end single contact grouping

Connector Locking Method:

Screw

Insert Material:

Plastic single mating end

Shell Material:

Aluminum alloy

Included Contact Quantity:

50 single mating end single contact grouping

Included Contact Type:

Round socket single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
