Overall Length:

4.100 inches

Overall Height:

0.466 inches

Overall Width:

3.384 inches

Component Quantity:

4

Component Controlling Agency:

Rad10 corp. Of america

Component Name:

Printed wiring board and connector assembly and tip, jack

Component Identifying Number:

8609559-1 part no. And 8635032-2 part no. And 8934595-3 part no. And 8934595-5 part no.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
