Mating End Quantity:
2
Contact Removability:
Removable single mating end all contact groupings
Contact Maximum Current Rating In Amps:
5.0 single mating end all contact groupings
Connector Locking Method:
Internally threaded coupling nut
Included Contact Quantity:
21 single mating end single contact grouping
Included Contact Type:
Round socket single mating end all contact groupings
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A039b0
