Overall Length:

4.375 inches

Overall Height:

1.312 inches

Overall Width:

2.300 inches

Component Quantity:

35 and 1 and 1

Component Controlling Agency:

Bager meter mfg co electronics div

Component Name:

Contact, electrical; printed wiring board; shell, electrical connector

Component Identifying Number:

220513 part no. And 211282 part no. And 232196 part no.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
