Overall Length:

72.000 inches

Overall Height:

1.312 inches

Overall Width:

0.910 inches

Component Quantity:

8

Mounting Configuration:

Eight 9 in. Centered recptical

Component Controlling Agency:

Wiremold co

Component Name:

Connector rectical electril

Component Identifying Number:

G20gb609 drawing no.

Component National Stock Number:

5935-00-195-3848

Mounting Method:

Bracket

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
