Overall Length:

5.125 inches

Overall Height:

0.830 inches

Overall Width:

4.000 inches

Component Quantity:

3

Mounting Configuration:

Eight h; oles on 1.588 in. Mtg centers along w dim., 2.295 in. Along lg dim., and two holes spaced 4.590 in. C to c

Component Controlling Agency:

Winchester electronics corp

Component Name:

Connector, receptacle, electrical

Component Identifying Number:

Mra 75 part no.

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
