| Thread Class:                         |
|---------------------------------------|
| 2b                                    |
| Thread Direction:                     |
| Right-hand                            |
| Seal Material:                        |
| Rubber                                |
| Overall Height:                       |
| Between 1.531 inches and 1.593 inches |
| Overall Width:                        |
| 1.320 inches                          |
| Cable Opening Diameter:               |
| Between 0.406 inches and 0.750 inches |
| Cable Opening Quantity:               |
| 1                                     |
| Seal Type:                            |
| Preformed packing                     |
| Size Designation:                     |
| 61                                    |
| Mounting Facility Type And Quantity:  |
| 1 threaded coupling                   |
| Thread Size:                          |
| 1.500 inches                          |
| Material:                             |
| Aluminum alloy                        |
| Surface Treatment:                    |
| Nickel                                |
| Style Designator:                     |
| Straight type w/cable clamp           |
| Surface Treatment:                    |
| Nickel, electroless                   |
| Thread Series Designator:             |
| Unef                                  |
| Shelf Life:                           |
| N/a                                   |
| Unit Of Measure:                      |
|                                       |
| Demilitarization:                     |
| No                                    |
| Filg:                                 |
| A10100                                |
|                                       |
