Electrical Plug Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-00-400-1737

Environmental Protection:
Corrosion resistant
Mating End Quantity:
1
Insert Material:
Plastic tetrafluoroethylene single mating end
Shell Material:
Copper alloy
Included Contact Quantity:
1 single mating end single contact grouping
Included Contact Type:
Coaxial pin single mating end single contact grouping
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A039b0
