Electrical Plug Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-00-400-4671

Environmental Protection:
Corrosion resistant
Mating End Quantity:
1
Connector Cable Strain Relief Method:
Cable clamp
Radio Frequency Type Contact Characteristic Impedance In Ohms:
50.0 single mating end single contact grouping
Shell Material:
Aluminum alloy
Included Contact Quantity:
1 single mating end single contact grouping
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A039b0
