## **Body Style:**

Straight shape

# **Overall Length:**

7.600 inches

# **Overall Height:**

1.150 inches

### **Overall Width:**

0.710 inches

### **Environmental Protection:**

Moisture resistant and shock resistant and vibration resistant and salt water resistant

# **Distance Between Mounting Facility Centers:**

7.150 inches

### Mating End Quantity:

1

# **Contact Removability:**

Removable single mating end single contact grouping

#### Shell Type:

Solid

**Terminal Location:** 

Back single mating end single contact grouping

# **Terminal Type:**

Crimp single mating end single contact grouping

# Shelf Life:

N/a

#### Unit Of Measure:

---

### Demilitarization:

No

# Fiig:

A039b0
