Electrical Receptacle Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-00-415-1975

Threaded Device Type:
Coupling facility
Mating End Quantity:
2
Contact Removability:
Removable single mating end single contact grouping
Connector Locking Method:
Jackscrew-socket
Included Contact Quantity:
12 single mating end single contact grouping
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A039b0
