Overall Length:

6.000 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

5.500 inches

Center To Center Distance Between Mounting Facilities Parallel To Width:

2.500 inches

Overall Height:

0.062 inches

Overall Width:

3.880 inches

Unthreaded Mounting Hole Diameter:

0.169 inches

Mounting Facility Type And Quantity:

4 unthreaded hole

Special Features:

Two 1.187 in. Diameter mtg holes 2.000 in. Apart and 2.000 in. From each end

Material:

Aluminum alloy

Material:

Aluminum alloy

Surface Treatment:

Chromate zinc and enamel

Style Designator:

Rectangular shape

Surface Treatment:

Zinc chromate and enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
