Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

7.5 single mating end 2nd contact grouping

Connector Locking Method:

Bayonet latch

Connector Cable Strain Relief Method:

Cable clamp

Insert Material:

Rubber synthetic single mating end

Shell Material:

Aluminum alloy

Included Contact Quantity:

6 single mating end 1st contact grouping

Included Contact Type:

Round pin single mating end all contact groupings

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
