Overall Length:

36.000 inches

Component Quantity:

6

Mounting Configuration:

Six mtg holes spaced 6.000 in. C to c

Component Controlling Agency:

Wyco metal products, stantron div.

Component Name:

Connector, receptacle, electrical

Component Identifying Number:

P-4050-3w catalog no.

Mounting Method:

Screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
