Overall Length:

3.062 inches

Overall Height:

1.532 inches

Overall Width:

1.125 inches

Component Quantity:

2

Mounting Configuration:

One mtg stud centered on each end

Component Controlling Agency:

Department of navy, bureau of ordnance

Component Name:

Connector, receptacle, sub-assembly

Component Identifying Number:

860859 drawing no.

Mounting Method:

Stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
