Overall Length:

1.560 inches

Overall Diameter:

0.680 inches

Cable Entrance Diameter:

0.520 inches

Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

7.5 single mating end single contact grouping

Connector Locking Method:

Snap ring

Connector Cable Strain Relief Method:

Cable clamp

Insert Material:

Plastic single mating end

Shell Material:

Aluminum alloy

Included Contact Quantity:

2 single mating end single contact grouping

Included Contact Type:

Round socket single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
