Overall Height:

2.375 inches

Overall Width:

1.125 inches

Body Length:

1.812 inches

Cable Entrance Diameter:

0.875 inches

Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

15.0 single mating end single contact grouping

Contact Maximum Ac Voltage Rating In Volts:

110.0 single mating end single contact grouping

Connector Locking Method:

Latch

Connector Cable Strain Relief Method:

Cable clamp

Insert Material:

Plastic single mating end

Shell Material:

Metal

Included Contact Quantity:

10 single mating end single contact grouping

Included Contact Type:

Round socket single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
