Overall Length:

3.562 inches

Overall Height:

1.125 inches

Overall Width:

0.625 inches

Component Quantity:

5

Mounting Configuration:

Two threaded holes, 0.138-32 nc, space 1.438 in. C to c

Component Controlling Agency:

Department of the army

Component Name:

Adapter, connector

Component Identifying Number:

9006779 drawing no.

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
