**Overall Length:**

0.375 inches

**Overall Height:**

3.600 inches

**Overall Width:**

3.700 inches

**Component Quantity:**

3

**Mounting Configuration:**

Six 0.196 in. Diameter mtg holes space irregularly

**Component Controlling Agency:**

Winchester electronics division litton industries inc

**Component Name:**

Connector assembly

**Component Identifying Number:**

17147-2 drawing no.

**Mounting Method:**

Hole

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T389-b
