Overall Length:

0.375 inches

Overall Height:

3.600 inches

Overall Width:

3.700 inches

Component Quantity:

3

Mounting Configuration:

Six 0.196 in. Diameter mtg holes space irregularly

Component Controlling Agency:

Winchester electronics division litton industries inc

Component Name:

Connector assembly

Component Identifying Number:

17147-2 drawing no.

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
