Overall Length:

0.930 inches

Overall Height:

0.560 inches

Overall Width:

0.680 inches

Cable Entrance Diameter:

0.150 inches

Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

5.0 single mating end single contact grouping

Connector Locking Method:

Latch

Insert Material:

Plastic single mating end

Shell Material:

Plastic

Included Contact Quantity:

4 single mating end single contact grouping

Included Contact Type:

Round socket single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
