**Overall Length:**

0.812 inches

**Overall Height:**

0.344 inches

**Overall Width:**

0.438 inches

**Component Quantity:**

5

**Component Controlling Agency:**

Simmonds precision products inc, instruments div

**Component Name:**

Connector assembly, electrical

**Component Identifying Number:**

391749 drawing no.

**Component National Stock Number:**

5935-00-716-1892

**Mounting Method:**

Hole

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T389-b
