Overall Length:

0.812 inches

Overall Height:

0.344 inches

Overall Width:

0.438 inches

Component Quantity:

5

Component Controlling Agency:

Simmonds precision products inc, instruments div

Component Name:

Connector assembly, electrical

Component Identifying Number:

391749 drawing no.

Component National Stock Number:

5935-00-716-1892

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
