Overall Length:

2.843 inches

Overall Height:

1.000 inches

Overall Width:

1.374 inches

Cable Entrance Diameter:

0.625 inches

Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

13.0 single mating end single contact grouping

Connector Locking Method:

Screw

Connector Cable Strain Relief Method:

Cable clamp

Insert Material:

Plastic single mating end

Included Contact Quantity:

50 single mating end single contact grouping

Included Contact Type:

Round socket single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
