Overall Length:

2.938 inches

Overall Height:

1.546 inches

Overall Width:

1.000 inches

Component Quantity:

2

Mounting Configuration:

Two mtg slots at each end of the bracket

Component Controlling Agency:

Army

Component Name:

Socket light

Component Identifying Number:

7526023 drawing no.

Mounting Method:

Plate

Mounting Frame Material:

Steel, alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T213-j
