## Overall Length:

3.620 inches

## Overall Height:

0.530 inches

Overall Width:
1.720 inches

Mating End Quantity:
1

Contact Removability:
Nonremovable single mating end 2nd contact grouping
Polarization Method:
Mating end
Terminal Location:
Back single mating end 2nd contact grouping
Contact Material:
Copper alloy single mating end 2nd contact grouping
Contact Surface Treatment:
Gold single mating end 2nd contact grouping
Insert Material:
Plastic single mating end
Included Contact Quantity:
73 single mating end 2 nd contact grouping
Shelf Life:
N/a
Unit Of Measure:

## Demilitarization:

No
Fiig:
A039b0
