Electrical Receptacle Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-00-825-4611

Mating End Quantity:

1

Contact Removability:

Removable single mating end single contact grouping

Connector Locking Method:

Bayonet latch

Insert Material:

Plastic diallyl phthalate single mating end

Shell Material:

Copper alloy

Included Contact Quantity:

1 single mating end single contact grouping

Included Contact Type:

Coaxial pin single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A039b0
