Environmental Protection:

Moisture resistant

Mating End Quantity:

1

Polarization Method:

Contact

Connector Locking Method:

Internally threaded coupling nut

Connector Cable Strain Relief Method:

Cable clamp

Insert Material:

Plastic single mating end

Shell Material:

Aluminum alloy

Included Contact Quantity:

54 single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
