Overall Length:

4.125 inches

Overall Width:

2.875 inches

Component Quantity:

2

Mounting Configuration:

6 mtg holes-3 along each side parallel to length; 4 mtg slots along one side parallel to length

Component Controlling Agency:

Collins radio company

Component Name:

Electron tube socket

Mounting Method:

Hole and slot

Mounting Frame Material:

Metal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
