Mating End Quantity:
1
Contact Removability:
Nonremovable single mating end all contact groupings
Connector Locking Method:
Externally threaded coupling nut
Insert Material:
Plastic single mating end
Shell Material:
Aluminum alloy
Included Contact Quantity:
2 single mating end 1st contact grouping
Included Contact Type:
Round socket single mating end all contact groupings
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A039b0
